Press Release

MYSPOTNETWORK LLC Launches The ABQ Rio Rancho Metro Area Social Networking and Community Portal – www.myabqspot.com – “Bringing the Internet Home”.

Albuquerque, NM June 17, 2010: MYSPOTNETWORK LLC plans to launch www.myabqspot.com immediately upon this release. To us “Bringing the Internet Home” is as much a way of doing business as it is a catchphrase. Our site consists of 4 unique components that will serve our community on a local level:

1. Our www.myabqspot.com/Profiles - profile pages where you can interact with your friends and meet new friend's right in your own back yard. Business and Organization groups are encouraged.
2. Our Directories containing free listings for local businesses, service companies and organizations servicing the community.
3. Our Interactive Pages - your pages...they are where you as an individual or professional can comment or submit articles on any page subject from Art to Politics and yes promote yourself.
4. Our ABQ Resources Pages providing ease of access to Government Agencies, Public & Private Organizations and Public Information on the internet

MyABQSpot features Free Profile Pages for Individuals and Business Groups including Cell Phone Access, Webcam IM, Private or Public Pages, Photo Galleries, Videos and Music with a built in Media Player and Video Sharing Capabilities. Each Profile has an Event Calendar, Internal Mail, Chat, Forum, Groups, Blogs, Guest Book, Skype Calls, Friends List and more!.

The Public Site Features Forums, Classifieds, Viral Promotions, Interactive and Feature Pages, The Free to list ABQ Business and Organizations Directories, the ABQMusicians Spot, ABQEntertainment Calendar and the ABQEvent Calendar which the whole community can participate in.

All Free – All Fun – All Interactive
